Distinctly united 2026

International Ecumenical Week for Youths (of about 20 to 30 years in age)

Bose monastery, 27th of July to the 2nd of August 2026

Young Christians of different denominations will converge at Bose from all over Europe to learn to live unity in diversity under the guidance of the Acts of the Apostles.

The days will be marked by moments of **prayer in common** with the brothers and sisters of Bose.

The mornings will see us engaged in the various **work activities** of the monastery (vegetable garden, orchard, food and craft workshops), while the afternoons will be dedicated to an in-depth study of the theme according to this programme:

Tuesday 28/07

The pillars of the Church (Act 2:42-47), led by Anne-Cathy Graber

Wednesday 29/07

One compact community, with many different tensions (Act 2,1-13; 5,1-11; 6,1-7), led by Richard Carter and others

Thursday 30/07

Witnesses to a unique novelty (Act 8:26-40; 9:1-19; 10:1-33), led by Thomas Frovin

Friday 01/08

What about us?, led by Giulia Manzoni & Gianmarco Tondello
